

## Trash to Treasure Pineapple Quilt Workshop

**Mission:** To clear your studio of clutter. Let's use it up.  
**Supply List and Homework**

1. Gather all your scraps squirreled away waiting for that "special" day. I mean all of it. This can be vintage, novelty, floral, geometric, folk art etc. No solids unless you have a huge collection that you are trying to get rid of.
2. 1-1/4 yard or more fabric that you believe is stunning. Hopefully this is in your stash but if you must buy, don't buy much. This is for your border and center squares.

I generally don't buy larger than 1 yard so I usually plan to put several fabrics together for my borders if I need to make a lap quilt or larger. Bring choices. I like to mix styles of fabric within one quilt so don't worry about that.

3. 1-1/4 yard of solid or semi-solid fabric. This is used in the blocks and will frame or showcase your scrap collection. Any color will work; when in doubt pick your favorite color or a super dark that is in your border fabric or a super light that is in your border fabric.

**Homework:**

Cut down all the scraps that you gathered to 1-1/2" strips. Grain doesn't matter. The shortest piece needed is 1-1/2" and the longest is 5". You're going to need lots of strips.

Cut (4) or so 1-1/2" strips of your solid or semi-solid. Bring the rest to class.

**Special Tool:** Pineapple Tool by Gyleen (\$15)  
**Optional:** Trash to Treasure Pineapple Quilts Book

### Basic Supplies

Huge bag or basket that stays open for your strips.

Rotary cutting mat, cutter and ruler

Bright sewing thread for the bobbin. Good place to use up some old thread. You can use any color on top.

Power cord and foot pedal to the sewing machine

1/4" foot (without the edge guide if you have one)

Seat cushion

Paper bag or something for trash

Wonderful can get this done attitude!
