Name Sue Burns

Guild Number 679

How long have you been a member? Almost 20 years

What type of quilting speaks to you? Bright, colorful, and creative!

1. How and why did you join the guild? My Sister-in-law Wanda Pinter, a longtime member, nagged me until I started quilting and joined the guild.
2. What is your quilting background? When, how or why did you start quilting? After I became disabled and could no longer work I looked for a hobby.
3. What was your first quilt like? The inspiration? My first quilt was a rail fence made with assorted farm fabrics for my farm raised Husband of almost 45 years.
4. Who is your favorite quilting guru, mentor, or inspiration, and why? I enjoy quits by Sally Collins for her creativity, fabrics and quilts by Jane Sassaman for her use of color, and Karen Eickmeir for her creativity.
5. When you are not quilting what are your favorite pastimes? I love to make hand beaded jewelry, go camping, and I love a good Road trip! I also love spending time with my family.
6. What have you most enjoyed about being a member? Meeting a terrific group of creative woman, and enjoying a hobby where I feel I can contribute something. While my quilting is average, over the years I have loved taking various jobs in the guild that enable others to be members and show their great quilts in our fabulous show.
7. What is your favorite color? Favorite food? My favorite colors are sparkly and shiney, and I love a good taco, and some crème brule. Let us not forget See's Candy, any type!
8. What do you want the guild to know about you? That I loved my career as a Nurse Practitioner, and would still be working if I could.
9. Tell us something about yourself that we do not know about you? I volunteer a lot of time with Donate Life Arizona following my daughter's kidney transplant. Talk to me about organ donation!
10. What question about you did we not ask that you wish we had? Sue, what did you do with all the lottery money you won? (Ha, Ha!) I wish!
