Business Meeting Wednesday, March 2, 2011 9:30 AM
General Meetings Tuesday, March 8, 2011 7:00 PM

Peggy Martin began quilting in 1981, piecing and quilting everything by hand. A few years later, when quicker methods were being discovered, she became hooked on finding faster, easier ways to make quilts. When she began teaching in 1985, she continued to develop more streamlined, fast, fun methods of working. She enjoys expanding on traditional quilts with new variations and color-play. Her favorite quilts are those which are fast, easy to piece, and offer many design possibilities.

Peggy has been presenting programs and workshops at guilds and seminars since 1988. She was honored to be selected as Professional Quilter's Quilting Teacher of the Year for 2010!! Peggy said " It is very gratifying to be nominated by my students for the second time, and even more exciting to be the winner of this honor. I always try to create a warm, relaxed atmosphere in my classes, where students can learn and explore their own creativity while still having fun! A big thank you to all my students over the years - I have enjoyed and appreciated each and every one of you!!" She has exhibited quilts in the San Diego Quilt Show, Road to California, the IQA show in Houston, AQS in Paducah, and Tactile Architecture IV.

She lives in San Diego, California and is married with two grown sons.

OUTGOING PRESIDENT'S MESSAGE

My sincerest thank you to all the members who have supported the guild over the last two years. I've been blessed to have so many wonderful volunteers who have lent a hand throughout the operations of the guild. I have had a GREAT time being your President.

I do hope that you'll treat Mary well, and support her when she gives the 'shout out' for help.

Kathy Harris
Past President

INCOMING PRESIDENT'S MESSAGE

Welcome to a great new guild year! We have wonderful speakers coming this year and many fun activities to look forward to as well. There are still many opportunities to volunteer and get involved in YOUR Guild.

I'm sure this will be another wonderful year for us, and I look forward to another fantastic quilt show in 2012. I'm very excited!

QUILT FIESTA! Comments & Information

The **Quilt Show Committee** would like to thank everyone again for helping put on such a wonderful show. We will be starting up a new year of show committee meetings on **March 18, 2011**. We meet at the Tucson Police Station on the southwest corner of 22nd. and Alvernon at 10am. Please come and join us in planning the 2012 show. We need someone to be committee chairs for hanging, demonstrations and door prizes. Even if you do not want to head a committee, you might want to see if you can help another committee.

Donata Pfisterer, Kathy Zimmer - co-chairs

The Tucson Quilter's Guild will be participating in the **Centennial Fabric Challenge** sponsored by the Arizona Centennial Quilt Project. For rules and fabric contact your local quilt shop starting in April. The rules will also be on the Tucson Quilters Guild website. Quilts will be hung in our 2012 quilt show. More details in later issues.

Many years ago the Boutique was started to help further educate the public as to what quilters do, make, and to help our members pay for some of their fabrics. To pay for itself was never a consideration. Fast forward to 2010. The Boutique is eliminated. Then Co-ops were formed Show time 2011 -- 10 minutes into our show McNeal H and S's "Ole Time Quilters" were thrilled to be a Co-op at "our" show. This proves change is good!!

Thank you Show Committee members for your decisions. We are very happy to be a Co-op. Connie Stephens and Marianna Dodson of the "Ole Time Quilters"

Publicity Committee... Help wanted! Jenifer Day Adams is looking for some assistance with the Quilt Show Publicity Committee. If interested, please contact Jenifer at 437-8261.

Jodie Grate is the winner of the 2011 Raffle Quilt. Yay Jodie!

Hostess Committee... Many thanks to all of you wonderful members and friends of members who helped make the Quilt Show such a success. You came on time and helped make our guests feel welcome and safe guarded the beautiful quilts. You are absolutely necessary for the success of the show - whether you sat to guard the entrances and exits, kept people from carrying food into the exhibition areas or showed off the backs of the quilts and answered questions. You should all pat yourselves on your backs because of your dedication toward the Guild.

Many, many thanks. See you next year- same time, same place. Kathy Hutcheson, Hostess Chairman

Changes in Newsletter Mailings... Beginning in April, the Tucson Quilters Guild Newsletter will no longer be mailed to the membership. Currently there are approximately 300 members who receive the newsletter by mail. The cost of printing and mailing the newsletter is almost \$6000 per year. That's about \$20 per member. We understand that some members do not have computers and can't get the newsletter on-line. So here's the plan..... If you wish to receive a printed copy of the newsletter, bring eleven #10 envelopes, self addressed and double stamped, to the April meeting. These envelopes will be collected and each month a copy of the newsletter will be mailed to you using the envelope you provide.

A note from Miss Manners:

Membership renewal is upon us and those lines long may await. Renewing via mail is easy and saves our legs that ache. The Director is trying her hardest but members still grumble and grouse why not smile as you offer to help her and say 'I mailed mine from my house'.

HELP WANTED! Want to help out and be an active member of your quilt guild? We have these positions open: Corresponding Secretary, Education Chair, and a Parliamentarian. If you are interested see our new president, Mary Meserve, for more information.

Block of the Month

We loved seeing your beautiful "Sweetheart Star" blocks on display at the February meetings! Congratulations to our lucky winners, Elizabeth Sproles, who won 14 on Tuesday, and Joyce O'Connor (10) and Judy Yager (9) on Wednesday! Thanks to everyone who entered star blocks all year--now we'll say goodbye to the stars and begin a new Block of the Month year---

At the March meetings, we'll have the drawings for your "Let's Go Fly A Kite" blocks (pattern was in last month's newsletter). This is the first block in "Color the Year with Quilts," our new theme for 2011.

In addition to our monthly drawings for your blocks, from time to time we'll add a special project for using the blocks. The first project is a 3-block wall hanging using the kites, with their dimensional tails. It is in the February newsletter online, or available at the Block of the Month table, if your newsletter comes in the mail. (Sorry, but the added cost of an extra page meant we weren't able to include the wall hanging pattern in the mailed newsletters --this is another good reason to get your newsletter online if you possibly can--and then your Block of the Month patterns will be in color, too!)

Meanwhile, don't forget to make a kite or 2 to enter in the March drawings-- and in this newsletter, check out the "Spring Chicken" pattern for the April drawings. It's really easy and fun to make, in chicken colors real or imaginary! What fun!

We are happy to announce that the Block of the Month program has paid for itself another year, by selling our annual pattern sets at the meetings and at the show. You get all the patterns for one year, with a color cover, for only \$5 per set. Check out our selection at the BOM table--we have a catalog of them all, so you can see what the patterns look like in each set, before you buy.

Thanks to all, for your support of Block of the Month, and Happy Quilting, from Evelyn George and Kay Hendricks.

Did you know? Sewing Machine Accessories, like the machines themselves, had their successes and failures. One gadget that never quite caught on was a musical sewing machine cover, patented in 1882, that held a player-piano roll and was run by treadle power. The treadle also activated a sewing machine fan patented in the 1870's and marketed for a dollar.

A bonus ideas for this month!

“Spring Chicken” (unfinished block size 12½”)

Spring is here, and the hens are laying-- as this one announces proudly. You won't believe how quick and easy this folk art chicken is to make, with our quick-piecing method! (You'll cut just squares and rectangles.) Whether she's perky in polka dots, fancy in floral, pretty in paisley, or elegantly Asian, each hen will have a personality of her own, and a flock of them would make a fun quilt for your kitchen or hall. So why not make one (or more!) of these blocks to enter in March? The lucky winner could combine them, perhaps with wood grain sashing, to make a delightful hen house quilt!

Cutting:

Chicken - one 6½” x 8½” rectangle; three 2½” squares

Comb – two 1½” squares of red

Beak – two 1½” squares of dark yellow, orange or? *

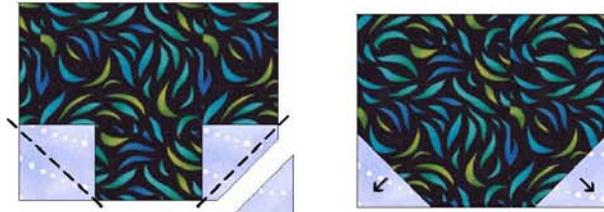

Background – one 4½” x 6½” rectangle; one 2½” x 6½” rectangle;

one 2½” x 10½” rectangle; four 2½” squares and two 1½” x 2½” rectangles

Base strip – 2½” x 12½” (grass, nest, wall, etc.)

Quick-piecing method:

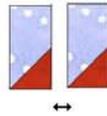

All the triangle shapes in this block (beak, comb, chicken shapes) are made by diagonally stitching a small square onto a corner of a larger square or rectangle. For example, make the hen's body by aligning a background square on top of each lower corner of the body rectangle, **right sides together**, and stitching diagonally across the square, as shown. Trim off corner, leaving approx. ¼” seam allowance and press the background triangle toward the corner, as illustrated by arrows, above right.

Continue using this quick-piecing method to make the remaining Chicken Parts as follows:

Comb:

Stitch a red comb square to each 1½” x 2½” background piece; trim, press. Stitch rectangles together.

Beak:

Stitch the yellow beak squares to a 2½” background square → (one at a time; trim, press after each).

Head Unit:

Combine Comb and Beak parts with a 2½” background square and a 2½” chicken square to make the Head Unit →

Neck and Tail:

Stitch 2½” squares of chicken fabric to 2 lower corners of the 4½” x 6½” background rectangle →

Block Construction:

Join the Chicken Parts and remaining pieces (with ¼” seams) to make the block, as shown →

*Feel free to take liberties with the colors!

If the beak doesn't show up very well, try outlining it with dark thread (this could even be done at quilting time). Add an eye, if you wish.
