While pursuing a degree in molecular biology and masters in biomedical illustration, Sue Benner created her vision of the microscopic universe in painted and quilted textile constructions. Her early work propelled her to become a studio artist in 1980, working primarily in the medium which later became known as the Art Quilt.

Sue is an innovator in her field, creating original dyed and painted fabrics which she combines with recycled textiles to form fields of structured pattern, vivid beauty, and riotous variation.

Sue's artwork is in many private, corporate, and institutional collections. She also lectures and teaches workshops nationally and internationally in the fields of surface design, textile collage, fused quilt construction, and artistic inspiration. Her work has been juried into Quilt National seven times, and she served as a juror in 2009.

Living in Dallas, Texas with her husband, Craig Jett, and their two sons, Sue works in her studio built in the backyard of their family home. However, a part of her heart resides still in her home state of Wisconsin.

## PRESIDENT'S MESSAGE

It's April already! How fast the days go by! We have a great month ahead with a wonderful speaker and fun new activities. We also have many new members. Please help make them feel welcome.

Our Committee Chair positions are filling up. Laurie Mullins has volunteered to be our Corresponding Secretary, and Ruth Martin has stepped up to be Education Chair. Laurie will need information, so if you hear of a guild member who needs a get well card or a sympathy card, please let her know. Ruth will need assistance with education activities. Please give your help to all our hard working volunteers.

Have fun!  
Mary Meserve,  
President

## SO MANY OPPORTUNITIES; SO LITTLE TIME

A few of our guild members won ribbons in the Arizona Quilters Guild 2011 quilt show. Karen Fisher won Best of Show for her quilt "Event Horizon." Jean Biddick won Judge's Choice (Erbach) for her quilt "Victorian Log Cabin." Susie Weaver, Carol Carpenter, and Karen Fisher also won in other categories. Check out the website at: [www.azquiltersguild.org](http://www.azquiltersguild.org). Congratulations, ladies!

President's Challenge... The theme this year is Purple Please. Any shade of purple you want, not more than 120 inches in perimeter. Full rules are available from me or online. Mary Meserve

Former guild member Reva Richey passed away on February 26th, 2011. She was 87. Reva started the first Marana quilt bee, held meetings at her home, and was a sewing and quilting mentor to many. Reva will be greatly missed!

**Changes in Newsletter Mailings...** Beginning in April, the Tucson Quilters Guild Newsletter will no longer be mailed to the membership. Currently there are approximately 300 members who receive the newsletter by mail. The cost of printing and mailing the newsletter is almost \$6000 per year. That's about \$20 per member. We understand that some members do not have computers and can't get the newsletter on-line. So here's the plan... If you wish to receive a printed copy of the newsletter, bring eleven #10 envelopes, self addressed and double stamped, to the April meeting. These envelopes will be collected and each month a copy of the newsletter will be mailed to you using the envelope you provide.

### ATTENTION PAPER KEEPERS...

Have you kept a copy of all your newsletters since you first joined? Were you a member from the beginning? The Guild Historian, Cathy Dargel would like to borrow those newsletters. Specifically if you have any newsletters prior to February 1988 I would like to copy them and will return them-I am trying to make a complete set for Guild Historical purposes.

AND if you have the following additions I would like these too: September 1988; July 1990; May 1991; August 1993; March through August of 1994; October 1997; February through

**Please note:** The library will be having its 3rd annual "Old Book" Sale on May 10th and 11th. All the books have been donated by members and are too old to put into the library's collection. The books at the sale will be 10 years and older. We may sneak in a few that are newer. The prices range from \$.25 to \$5.00. ## QUILT FIESTA! 2012

The **Quilt Show Committee** is in desperate need of a group of volunteers to head of the show hanging committee. We cannot have a quilt show without a hanging committee. Please look into your hearts and volunteer for this position. It would be perfect for several friends to do together. If we do not have hanging chairs there might not be a show. Last year's hanging committee chairmen left a very explicit time line and complete instructions. Also there are several people on our committee that can be leaned on to answer questions since they have headed those committees in the past.

We also need a group of volunteers to head up the demonstrations committee. Since the speaker for the 2012 show is committed to, the demonstration committee needs to pick a speaker for the 2013 show. A great part of the job is during the show so a group of people involved in heading up the committee will make the job easier. The demo committee gets to pick the volunteers whose methods they want to learn about or showcase. How fun!

If heading up either of those committees interests you please call us to volunteer and join the greater quilt show committee.

The new deadline of September meetings for quilt entries will allow all of the committees more time to review the entries and to spend the holidays with their families.

Our next meeting will be on April 15th at the Police Station at 22nd and Alvernon. Please come and join us to see how the quilt show committees work. Donata Pfisterer, Kathy Zimmer

**Entry Deadline...** Attention participants: Please be advised that the deadline for entering your quilts in the 2012 show has been moved forward one month. All entries for the January, 2012 show must be submitted at the Guild meetings on September 13 & 14 or postmarked by Friday, September 16, 2011. Thanks very much for your cooperation. 2012 Quilt Fiesta Committee

The Tucson Quilter's Guild will be participating in the **Centennial Fabric Challenge** sponsored by the Arizona Centennial Quilt Project. For rules and fabric contact your local quilt shop starting in April. The rules are on the Tucson Quilters Guild website. Quilts will be hung in our 2012 quilt show. More details in later issues.

### Do you remember when?

Betty Berger threw Christmas ornament parties at her house complete with all the wonderful German cookies she would make?

**Quilting Project...** In trying to get a head start on Christmas charity quilts we have made up kits to make a Children's Charm quilt. The quilts and some of the Quilt-a-thon quilts will go to "Kids in Need", a wonderful charity run by the Kiwanis Club. Please take a kit home and help make their Christmas brighter. They need to be returned by the October guild meetings.

**LETTERS TO THE EDITOR**—a new feature for the newsletter, as long as there room and the letter is of an appropriate topic.

Many years ago the boutique was started to help further educate the public as to what quilters do, make and to help our membership pay for some of their fabrics... to pay for itself was never a consideration. Fast forward to 2010 - when the Boutique was eliminated - WITHOUT ANY NOTICE TO MEMBERS, without a vote of the membership and supposedly co-ops were (to be) formed. Some of us realize the "right" of the board to make the decision to end the boutique (for financial reasons?) and don't quibble with this right, BUT - it should have been announced that "2010" would be the last year for the boutique at the quilt show after a vote of the membership. Becoming part of a co-op as a snow bird (of some 45 years) after reading about it in a newsletter was fruitless although I tried via telephone calls and in person. I did, however, hear of much dissatisfaction with the decision from a number of members who did not care to stand and voice their thoughts publicly. I am pleased to be a guild member, volunteer all I can while in town and support the guild in various ways, but I remain disappointed as to how this decision was made and handled. And - I know I am not alone! Mary B. Walsh

## Block of the Month

“May Spring Basket” © 2011 Kay Hendricks

**Directions: Appliqué version:** READ ALL DIRECTIONS FIRST. ★

Cut out a 13” square of your **Background** fabric.

Trace Basket pattern onto template material, using dotted outer side lines for basket. Cut out templates.

**Basket** Fabric: Trace around your template onto the back of fabric, add seam allowance and cut out basket. Place right sides together, on lining fabric. Sew around basket (without handle). Cut out, trim seam allowance to scant ¼”, clip curves, & corners only. Press open straight seams on basket sides. Then open one side seam by removing stitches for 1 to 2 inches (see bracket marks [] on pattern seam line). Turn right sides out. Press carefully. Hand sew opening closed.

Decorate as you desire, with flowers, leaves, or bows, or top stitch edges.

**Basket Handle:** Add seam allowances to template for hand appliqué (note: extend 1” at ends). Trace Template on back of handle fabric, cut out.

**Background:** To mark center of design, fold fabric in half vertically, and then horizontally.

Lightly crease at ★ star. Using pattern to mark center, lightly mark placement of basket and handle. Use the straight inner basket side lines! Appliqué handle in place first.

Decorate the Basket before sewing it on, so stitches will not go thru to background.

Add any other stitching, flowers, beads or ribbons. Vary the shape of the top edge if you desire, or add lace.

Pin your basket to the marks on the background. Then sew only sides and bottom of the lined basket to the (inner) lines on the background. It will flare out like a pocket at the top.

To add things inside our 3-dimensional basket, tack, fasten or fuse to the inside so that it shows above the edge. Use fabric flowers, or eggs or corners sticking out like a napkin. Kay: 325-4509 or [khendricks@cox.net](mailto:khendricks@cox.net)

---

**Directions: Fused Version:** Iron-on Appliqué, edges covered with decorative stitching.

Cut out a 13” square of your **Background** Fabric.

Trace pattern onto template material for basket, handle, flowers and leaves (if used). For this fused version of the basket, trace the straight inner lines for basket sides. Cut out templates.

To mark placement of basket and handle on background, fold Background in half vertically and then crosswise. Mark lightly. See star ★ mark on the B of M. page for center of design.

Put fusible web – (such as “Lite Steam-A-Seam” or “Wonder Under”) on the wrong side of Fabric Pieces for the **basket, handle, and decorations**.

Trace around and Cut out:

1. Handle –lengthen 1” at each end-
2. Basket, it goes on top of the handle ends. Use straight lines, not dotted.
3. Any decorations, such as ribbon, fabric strips, flowers, leaves or lace.

Remove any paper backing to expose fusible web.

**Fuse** pieces, in the above numbered order, to the Background. (If you want to add things inside or under the basket, such as flowers, eggs, etc., arrange and tuck them inside as desired, before fusing.)

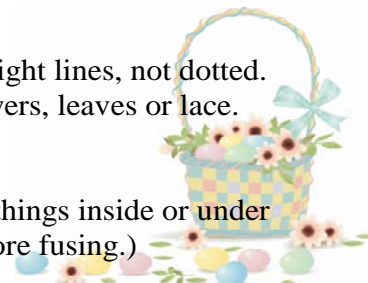

Follow directions on your fusible product.

**Stitch** along the edges of your basket and decorations as desired, with zig-zag, satin, or decorative stitch.

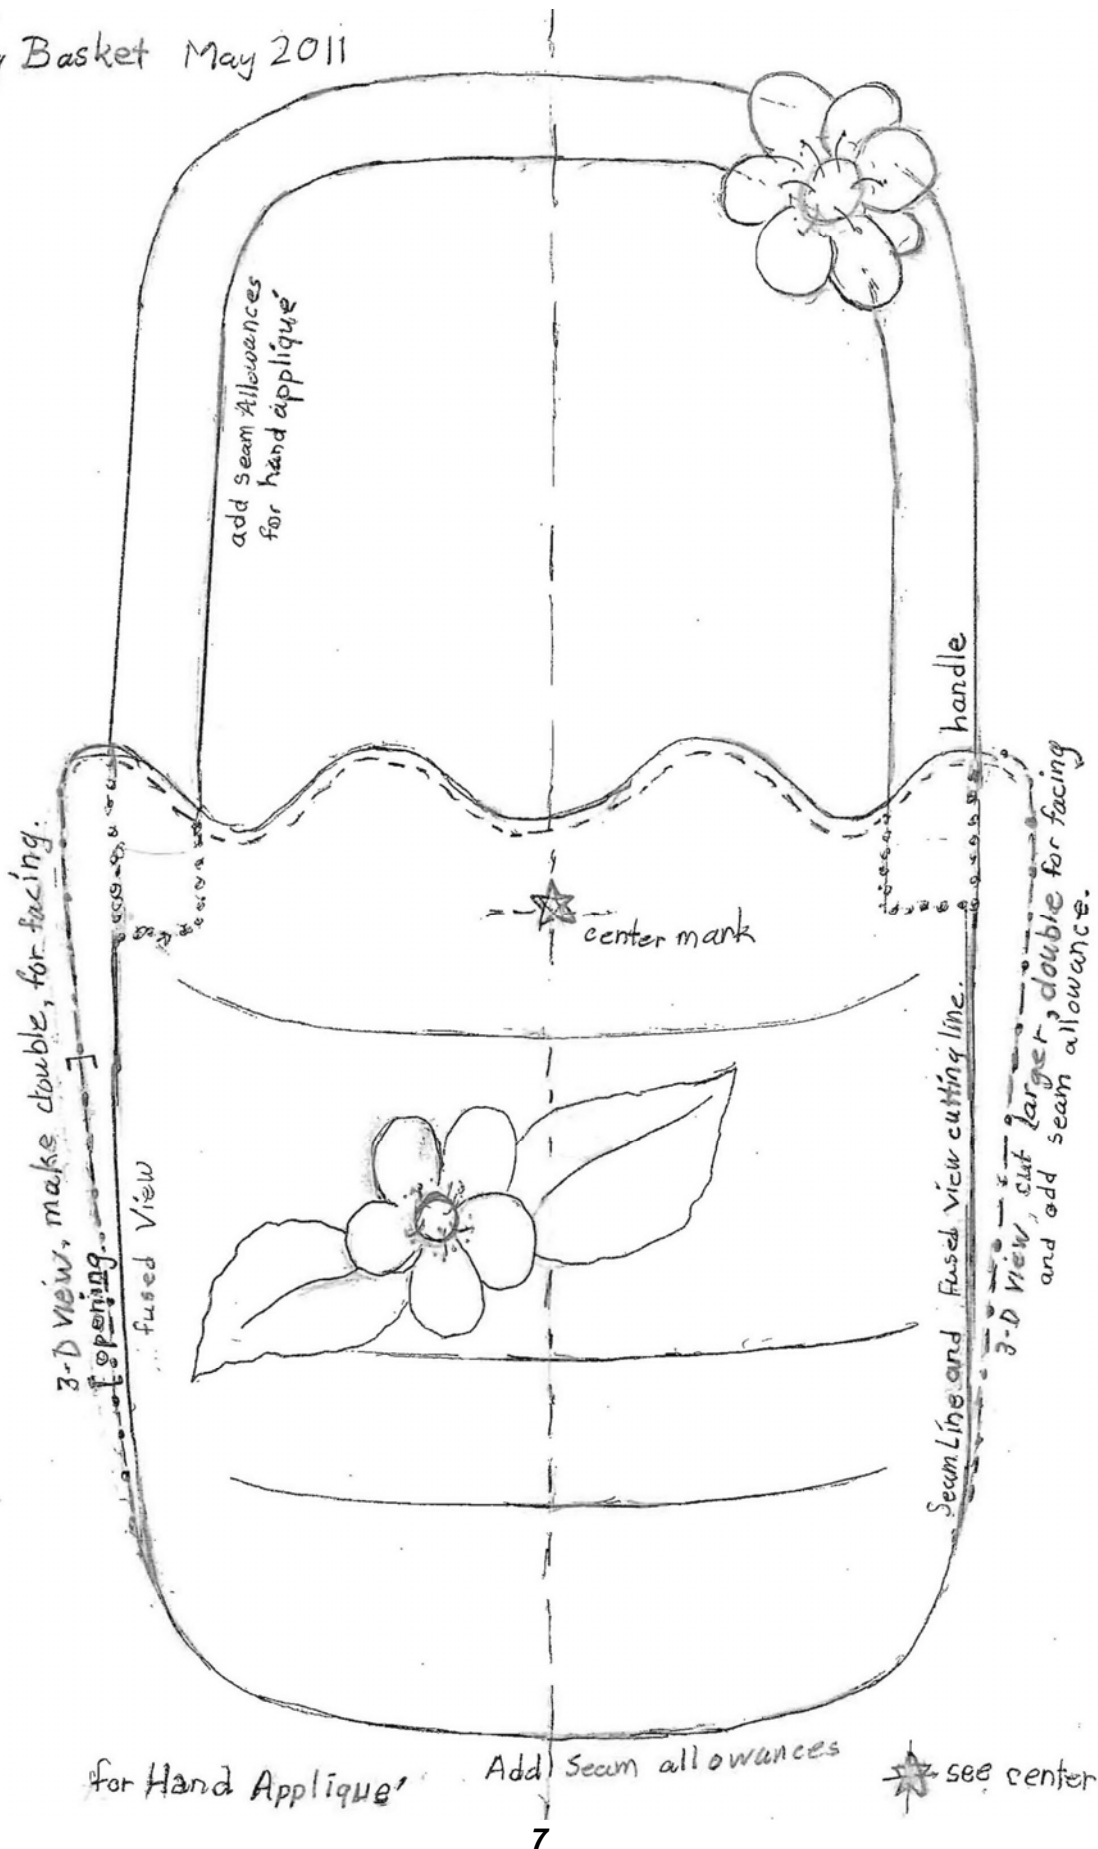

(Use a stabilizer under the background fabric, or “tear away” interfacing, to prevent puckers or gathers in your quilt block.)

To make a **BIGGER** Basket: Split pattern down (vertical) center line, spread 1” – 2” apart. Add paper under open center area. Alter top basket edge if desired. Retrace a new template. Proceed as directed above.

Sit back and enjoy your work, and plan to make another version, of our Spring Basket.

Spring Basket May 2011

**Quilt Fiesta News to Use!** For the first time in TQG show history, we plan to include a Small Quilt Auction. Members and friends are invited to make a small quilt, not to exceed 20" on any side, to donate for our auction. We plan to have both a silent auction throughout the show, and a live auction to be held on Sunday afternoon, January 22, 2012. Proceeds from this auction will be donated to charity, probably to benefit those in Japan. More information will be available at the Guild meetings and in future newsletters.

Sewing machine accessories, like the machines themselves, had their successes and failures... Among wackier devices was one that actually was used in the 19th century England, that is until the Royal Society for the Prevention of Cruelty to Animals stepped in. It was a sewing machine powered by small leashed dogs on a kind of a treadmill.
