Time for the 2012 Quilt-a-thon is finally here!

We are so excited that the Teen Outreach Pregnancy Services group (TOPS) will be our charity this year. We've got many quilt tops ready for the sandwich team to layer, as well as several quilts ready for the "tie-ers". Lots of work to do on Tuesday evening August 7 from 7pm to 9 pm and Wednesday August 8, from 9am to 3pm. Don't worry if you haven't signed up. Just come on in and give us a hand. If you want to sew please bring your sewing machine. If you have questions, call or email, Colleen Babcock, 405-5478, cjquilts@att.net.

"100 Years, 100 Quilts" Programs

The Guild's program cycle at the Arizona Historical Society Museum is at the half way point. July found Jain Barrett and Joline Albaugh helping youngsters make picture frames using fabric, batting, ribbon and cardboard. Watching these young crafters learn and create is delightful.

Also, delightful was the amazing "Meet the Quilter" program presented by Karen G. Fisher. Karen intrigued her audience with Arizona history, beautiful quilts, technique tips and an incredible array of buttons!

The children's craft programs are held on the first Saturday of the month from 11:00 a.m. to noon. The August 4th program has kids making a phone/iPod case.

The next "Meet the Quilter" presentation, which features Sue Franklin who does beautiful red work, will be held on August 11th at 11:00 a.m.

The Museum is located at 949 E. 2nd Street in Tucson. Parking in the garage a half block west of the Museum is free on Saturdays and free with pass obtained at the Museum other days.

Raffle Ticket Sales: As of our Guild meeting of July 17, 2012, we had distributed **271** packets and the Membership had returned 93. Let's see what progress we can make by August in equalizing the number returned and those distributed. Watch monthly for our progress.

We will not be at the Guild meeting in August, but we will be back in September. If you want to get the stubs and money off your hands quicker, you can send them to us by snail mail.

Thank you, Pam Ashbaugh and Mary McLaughlin

President's Challenge 2012: This year the President's Challenge theme will be "Celebrations." The only requirement is size, which is limited to 120" around the perimeter. This means it *cannot* be bigger around the whole quilt than 120"! Also, you need to put a sleeve on the back. They just look so much better hanging at the quilt show with a sleeve. So have fun and show us what you like to celebrate!

Ideas: Family, country, sisters, children, pets... what will you come up with??

Wednesday Morning Meetings: Open from 8:30 to 9:30 and during the break.

2012 HOLIDAY BLOCK EXCHANGE

Decorative stitches that come programmed into our sewing machines... how can you use those to create a block? I just finished scanning the projects in YOUR MACHINE'S DECORATIVE STITCHES by Karen Linduska. This could be a great way to try something new in surface design! What about thread painting? I am doing this on a current quilt and having a wonderful time with it! Have you thought of crayons? A 12.5 inch square is a perfect size for trying out all those ideas you have contemplated yet not tried. What technique would YOU like to experiment with to add more skills to YOUR quilting?

Congratulations to Jeannie Coleman and Carol Zupancic, the founders of Quilt for a Cause --they are being inducted into the Arizona Quilters Hall of Fame! Thanks so much to Tucson Quilters Guild for all your support of QFAC over the past 10 years, by making quilts, helping with the auctions and other fundraisers--you, the Members, are the greatest, and Quilt for A Cause absolutely couldn't have done it without you!

We need about 15 to 20 people to help us Setup on Wednesday the 9th of January about 11:00 in the morning at TCC. We can use men and women. Please bring ladders, if possible.

If you won't be back in town until late this fall or if you want to sign up early send us an e-mail. If you want to help on Setup, Wednesday morning, you can email me (Mary Bazzano) at Quilt362@yahoo.com or 520-297-9576. Small Quilt Auction: Details, Details, Details! I hope many of you are planning to make and donate a small quilt for our auction to be held during the Quilt Fiesta! in January 2013. There are a few details to keep in mind as you plan your project.

The quilt size is limited to a maximum of 80" around the perimeter. By keeping the quilts at this size we will be able to display them all at one time on our drapes.

Quilts are due (or must be postmarked by) November 14, 2012 at the Guild meeting. If your quilt donation is completed before that date, quilts will be accepted at the September and October meetings as well as at the November meetings. Quilts will not be accepted at the August meetings.

More information about this project is available on our website (www.tucsonquiltersguild.com) under Small Quilt Auction on the main page. Also, there is a downloadable entry form online that must be completed for each quilt submission. Please use a straight pin to attach your entry form to the sleeve on the back of the quilt.

We look forward to seeing all your wonderful work! Sally Dickinson, Small Quilt Auction Chairperson

Bed Turning: Think about Grandma's quilt as described by Silvia Summers Pierce in Hall and Kretsinger's *The Romance of the Patchwork Quilt in America* (1935). Pierce notes "With gentle and loving fingers she caressed the well worn fold; 'round each piece a mem'ry lingers like a sweet story often told."

Do you have memories (quilts) from your grandmother's attic or elsewhere? If so, submit an application for your quilt in *Quilt Fiesta's* bed turning.

Contact Sue Franklin at 520.825.3962 or 520.490.4721 or suevette63@comcast.net, with questions. Applications for the bed turning are available on the bed turning link of the Guild's web site. Hard copies also will be available at both the evening and daytime September Guild meetings. Applications may be submitted at both October meetings or postmarked by October 13th.

RAFFLE TICKETS: Guild Members, if you haven't picked up your raffle ticket packets for our beautiful quilt, "HOT SALSA", the packets will be available again in September at the back of our meeting room during the Guild meetings. Each member is asked to sell or purchase at least one packet. Tickets are \$1 each or 6 for \$5. Included in the packet are 12 tickets, a picture of the quilt, and instructions for returning money and stubs. Please do your part in helping our Guild raise funds to provide all the wonderful things that our Guild does throughout the year.

PATTERN OF THE MONTH

Well, here it is August already, and time for the Quiltathon! As you may have noticed, last month's Pattern of the Month was actually seven -- "Seven Easy Baby Quilts", on the website, with one of the quilts -- "Stars for Baby" -- featured in the newsletter. Those patterns are some of the many we have used for the Quiltathon over the years, and we thought you might like to have them handy for making quick baby quilts, for any need you might have, or to donate to the Quiltathon, Quilt for A Cause, Quilting for Others, or Help our Warriors, for example. Hope you've checked them out -- and remember, these patterns are there on the website, along with the rest of this year's Patterns of the Month, for you to use any time!

This month, Pattern of the Month is featuring the "Simple 9-Patch Chain Block" in a 12" finished size, which makes a terrific alternate block with the "Stars for Baby" block from last month. It is versatile enough to alternate with many other blocks, too. For more information on choosing an alternate block that will harmonize with other blocks, please see the August 2012 Pattern of the Month article on our website. In it, we explore blocks with different grids, and show "virtual quilt" examples of some favorites. If there is an interest, we can provide patterns for more of these alternate blocks in the future.

Hope you're enjoying your Pattern of the Month, and if you have any ideas or suggestions for a pattern, please let Evelyn George know! We're always looking for something original and interesting that you might have come up with, and hope you'll share it with the Guild. You can email Evelyn at pom@tucsonquiltersguild.com

Pattern of the Month - August 2012
by Evelyn George

"Simple 9-Patch Chain Block"

Last month's Pattern of the Month was "Stars for Baby," one of our Quiltathon patterns. That pattern features Star blocks alternating with plain squares. When I made this quilt using a lovely rainbow stripe (see photo, right), I decided to use a simple pieced block between the stars, instead of plain squares, and was pleased with the resulting chain effect. Here's the pattern for that alternate 12" Chain block, which of course could be used in other quilts, too. Notice that this particular Star block, as well as the Chain block, are both based on a grid of 3 equal divisions of the side of the square (usually called a 9-patch). This is easier to see in the drawings than in the photos. →

Star for Baby (see July 2012 Pattern of the Month for directions for this block)

Simple 9-Patch Chain Block (12" finished size)

For each block you need:

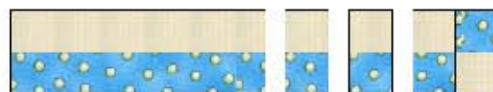

- four 4 $\frac{1}{2}$ " squares white (background)
- one 4 $\frac{1}{2}$ " square print (center)
- eight 2 $\frac{1}{2}$ " squares* white
- eight 2 $\frac{1}{2}$ " squares* assorted colors (chain)

Simple 9-Patch Chain Block

Piece the 2 $\frac{1}{2}$ " white and colored squares into four 4-patch squares.

*OR --If making many blocks, you could more easily strip piece the 4-patches. In that case, instead of cutting 2 $\frac{1}{2}$ " squares, cut 2 $\frac{1}{2}$ " strips the width of fabric, of both white and colors. Sew a white strip to a color strip, press seam toward color strip, and cross-cut into 2 $\frac{1}{2}$ " sections. Arrange two sections into a 4-patch and sew together.

4-patch ↑

Arrange four 4-patches, four white 4 $\frac{1}{2}$ " squares and a center print square into a 9-patch, making sure a small color square is positioned in each outer corner of block, → to form a diagonal chain in both directions. Sew together into 3 rows. Press seams toward larger white squares, then sew rows together, to make the Simple 9-Patch Chain Block. Make as many as you need for your quilt (there are 4 Chain blocks and 5 Stars in the baby quilt at top of page).

Note about borders: This print was a diagonal stripe, so in order to keep stripes going the same direction on all sides, two borders were cut crosswise and two were cut lengthwise.
