## PRESIDENT'S MESSAGE

Dear Quilters,

WOW! What an amazing 2020 show week we just finished!

I want to say thank you to the entire guild for all your hard work – the beautiful quilts you made and the time you took to help with every single step it took to make it all happen.

The show committee itself began working basically as soon as the 2019 show ended. New ideas were tried, some old ideas were let go, and for every change there was discussion and thought about how to make this show the best it could be.

When we asked for volunteers, they stepped forward. When we needed help with accepting quilts, judging them, with displaying, hostessing, and finally taking the show down. Members and friends filled every need.

We know it was a good show by the compliments we heard from the visiting public. At the top of the list of compliments was the admiration and amazement at the quality of the quilts exhibited in a members-only show. I personally enjoyed being at the show every day because each day I would notice and admire different quilts that hadn't caught my eye the day before. It was hard to narrow down my favorites to just three, when there were two or three or more per row that I wanted to take longer to appreciate. From the *Kids' Row*, to *Quilts of Valor*, to *Inspiring Women*, all our special exhibits showed the range of what our guild does with our love of quilting.

Our newest feature, the Opportunity Baskets, was both an amazing fund-raiser and compliment-generator. All of the baskets were filled to the brim with fabulous stuff and a small group of members were kept extra busy making more tickets than we ever could have imagined would sell! Delivering the baskets to the winners was also fun – each person I connected with was delighted with their collection of new goodies.

A final thank you for all the participants in the *President's Challenge*. I had so much fun seeing what each of you did in adopting one of my favorite ways to add to quilts—embellishing with buttons. Now I just have to come up with a cool idea for next year. I have two ideas percolating, so I will need to choose one fast. I want you all to have time to figure out how to make it fun.

Yours in Quilting,

Karen G. Fisher  
TQG President

### FROM THE SHELVES AND BEYOND!

A triple thanks to all involved with the Guild's book sale at the recent Quilt Fiesta 2020.

First, thanks to all who donated books; we had a wonderful selection.

A second thanks to all who came and bought books, Those who attended the Quilt Fiesta on Friday got the choice titles. The third thanks to all the volunteers or hostesses helping to sell the books and patterns. You used your skills at marketing, talking up titles, creating interesting displays, and being friendly to all who wandered by.

We began with 27 boxes of books and had only 3 boxes to bring back to storage. We made \$1,100.00 during the sale, with each book going for \$2 each, you can see how many we sold. Now it's time to think about titles of quilt books you would like to see in the Guild's library. Make your recommendations so we can put this money to good use. I know a few books I might buy but would like to support others' choice as well.

## QUILT FIESTA 2020 WAS A HUGE SUCCESS

Hello Quilters,

OMG! What an event we had! Our Tucson Quilt Fiesta 2020 is in the books and it was wildly successful. The final figures are not calculated as of this printing. However, I do know that our Opportunity Baskets were unbelievably well received, so much so that Helen and I were constantly printing and handwriting numbers for the tickets. We sold nearly 600 numbers worthway beyond our expectations! *Quilt for a Cause* was a big success as well as the *Sit and Sew Quilts of Valor*. The Small Quilt Auction raised a pretty good chunk of money and the room was packed for every showing of the Vintage Quilt Turning.

All the vendors were pleased with the turnout, which by the way was much higher than last year's (thankfully no snow), and their sales.

But most importantly, our quilts were all stunning! So a huge, heartfelt THANK YOU goes out from me to all of you who made this show possible with your planning, your dedication, and all your hard work. YAY!

Many hugs and smootchies!

Kate Verbeke, *Quilt Fiesta 2020 Chair*

The 42nd Quilt Fiesta is over now and it was a wonderful show! We had over 300 beautiful quilts on display. Plus we had additional rows for art quilts, kids row, President's Challenge, and New Member quilts. Plus, our lovely *Featured Quilter* each day. The Opportunity Baskets were a huge success. Check our Facebook Group for pictures of some of our winners. Our vendors were all full of goodies and had good sales.

Feedback was uniformly positive. Thank you to all members who volunteered and/or otherwise supported our Quilt Fiesta 2020. We couldn't have done it without you!

Pamela Golliet, *Quilt Fiesta 2020 Co-Chair*

## NEW EVENT AT QUILT FIESTA

Quilts of Valor was honored to be selected as the featured organization for the inaugural "Sit and Sew" at Quilt Fiesta! this year.

The Eagles Wings Quilts of Valor Bee Chair, Char Gasker, organized a three-day event which was staffed by volunteers from the Eagles Wings QOV Bee and the Northwest QOV Bee. Our QOV State Coordinator, Jennifer Wilson, was also in attendance.

Through the generosity of Cathey's, four Janome QOV sewing machines were kept busy as members and the public participated in sewing more than 180 blocks. These blocks will be assembled to make six more quilts to be awarded to service members.

Thank you to everyone for your support! For more information about Quilts of Valor, please contact Char Gasker at [cgasker@gmail.com](mailto:cgasker@gmail.com).

## OTHER ORGANIZATIONS ASSOCIATED WITH TQG

**Quilt for a Cause**  
*Sew a cure for women's cancer*

*Quilt for a Cause* introduced two new patterns at the Quilt Fiesta in February. One is for a quilt, Sun Face Sand Painting, and the other is for placements or a table runner, Native Runner and Placements. Both are Southwest themed and designed by Lisa Fryxell.

Opportunity quilt tickets for Treasures of the Southwest can still be purchased by contacting a Board member, or on our website, [www.quiltforacause.org](http://www.quiltforacause.org). Tickets are \$2 each or 3/\$5. The drawing for this quilt will be at the Wednesday, April 8, Tucson Quilters Guild meeting. Good Luck!

If you'd like to make a quilt to donate to *Quilt for a Cause*, our current need is for quilts with a Southwest, or University of Arizona, theme, as well as for table runners or toppers. We also need baby quilts. As always, we are pleased to receive your quilts with any theme to continue our Cause.

If you are interested in becoming a Friend of *Quilt for a Cause*, please stop by the table at either March Quilt Guild meeting. Friends are volunteers that help at various events, or handle various other jobs. We are especially looking for someone that would be interested in working on the *Quilt for a Cause* scrapbooks, and for a photographer that can shoot *Quilt for a Cause* events. Come join the fun!

Finally, we have a new quilt donation form that is available on our website, [Quiltforacause.org](http://Quiltforacause.org), and at the *Quilt for a Cause* table at Tucson Quilt Guild meetings. Please use this for quilt donations. Thank you so much!

### Instructions:

#### Step One: Framing the Plastic Window

1. Cut out a 3”x4” piece of medium weight clear plastic (such as the type used for report covers.)
2. Use ½” wide Gross Grain Ribbon to frame the plastic window. Cut two pieces 4” long each for top and bottom, and two pieces 5” long each for the sides.
3. Use double-sided tape to adhere ribbon to sides of the plastic window. Tape is difficult to manage and works best by tearing off 1” pieces, then cut the pieces in half, lengthwise, to fit the center length of ribbon.
4. Align 4” long ribbons with edges of top and bottom of window. Set sewing machine for 2.5 or 3, top stitch (only one side) down middle of the ribbon. This side is now the top of the window.
5. Frame short sides of window with 5” pcs of ribbon using the extra length to overlap each end at the corners.
6. Apply narrow strips of tape to the back of only three sides (you should have already stitched the top of the window.)

#### Step Two: Making the Pouch

1. Place framed window on right side of one of the 7” x 8.5” outer bag fabrics. Center the framed window at the bottom. Tape should already be on back of the window. With the machine set at 2.5 or 3, top stitch the sides and bottom in the center of the ribbon. This finishes the window.
2. Sew outer fabric pieces, front and back, right sides together along the sides and bottom. Turn right side out through top opening. Turn top edge under ½” and press.
3. Follow the steps as in B above to sew lining fabric.
4. With turned under raw edges of outer fabric and lining, pin, then top stitch around the opening.

#### Step Three: Making the Pouch Strap

There are many ways to add straps to totes, bags, and pouches. I used gross grain ribbon and sewed each end to a small plastic ring, and hand stitched the rings to the inner seam side of the pouch. Please use the method you are most familiar or comfortable with.
