## PRESIDENT'S MESSAGE

Hello fellow quilters,

I hope you are all healthy, and getting ready for the next several weeks of weirdness as our country and the world work through the corona virus outbreak. Most of us have never seen anything like this. My husband and I were remembering the vaccination drives for Polio and Smallpox when we were still in grade school, but I have no memory of anyone actually being sick. However, my husband had a friend, another boy, who did contract polio. I also remember getting multiple shots in preparation for moving to France, courtesy of the Air Force, when I was seven. We have become so used to being able to move and travel at will around the world, with the only barriers being political ones.

Recently, at a meeting for the Arizona Quilters' Hall of Fame, the audience was asked what quilting meant to them. I responded that quilting was my sanity, the thing that I could turn to when things were going crazy around me. Right now, I know I can stay home, hunker down and work on things that I know and love, without going completely stir-crazy nuts. I have classes to prepare for, quilts to work on, and of course taking care of my own family. My husband and I are still waiting to see if anything develops from his recent trip to London, where he met with clients from several other countries.

So, I'm giving you all an assignment, something else to focus on, to participate in as you choose: the 2020 President's Challenge. I reached back a few decades for my inspiration: classic family movies. In 1937 and 1939, two of the most famous and well-loved movies of all time were produced: Disney's Snow White and the Seven Dwarves, and The Wizard of Oz. I expect we can all sing at least some of the songs from them, with our grandchildren singing along as well. Please see page 4 for more details.

In the meantime, take care of yourselves and your loved ones. Stay safe and sane, and we can all do our part to help things get back to some new form of normal.

Yours in Quilting,

Karen G. Fisher

*TQG President*

### From the Shelves and Beyond!

The Tucson Quilt Guild recently

receive a donation of several boxes of books and magazines. As I go through the boxes, I pull books the Guild library doesn't have to include them in the collection. I pull those with a copyright date older than 1997. These I save for the sale at the Quilt Fiesta. As I go through these boxes, I find treasures and often conjure images of the books former owner. (I also volunteer at Friends of the Public Library working with donated books, getting insight into the individual's life.)

In the recent boxes there were a few books on Drunkard's Path. I was familiar with the block design but had never tried it. Two colors, curves, not something I was interested in. One of the books changed my opinion. Drunkard's Path Made Easy is very creative with the block design. The book has patterns to create birds, owls, butterflies, and adorable turtles. I might try them!

Another recent treasure unearthed are three books by Blanche and Helen Young. Helen Young is Helen Frost to Guild members. We have The Flying Geese Quilts, Country Lanes, and The Boston Commons Quilt. Each of these books is signed by Blanche Young. Although these books

were published in the 80's and early 90's, I will create a section for "Special Collections" so we can preserve these titles.

Janet Chumbley,  
*Guild Librarian*

### Annual Quilt-a-Thon

Our Guild's annual Quilt-a-Thon is held in August in place of a regular Tucson Quilters Guild meeting. If you have never attended the Quilt-a-Thon this is the event where volunteers get together to add backing and batting and tie quilts for charity. The completed quilts are donated to a local charity.

The quilt tops are made ahead of the event and the more tops already made, the more finished quilts we can complete.

To make this a success we need your help. We need donations of fabric for the quilt tops so we can make kits for volunteers to take home to complete. Please bring donations of fabric or quilt tops to the regular meeting, a table will be set up.

We will also be handing out patterns so you can use your own fabrics. If you want to use your own pattern, that is fine as well. Please keep in mind the quilt will be tied and the tops should be no more than 44 inches wide and about 56 inches long. They can be smaller.

Thanks in advance for helping to make Quilt-a-Thon a success.

Linda Ann Begega,  
*Quilt-a-Thon Chair*

### Quilt Fiesta 2021

Hello to all Tucson Quilters Guild folks! Remember, this too shall pass, and we will be back doing what we love and showing it off.

I'd like to ask each of you to consider volunteering for any of the Show committees for next year's Quilt Fiesta. We still have positions to fill, both in leadership and in background jobs. Here is a list of the positions the committee needs:

- Judging
- Quilt Display
- Viewer's Choice
- Take Down
- Special Exhibits
- Signs

- Opportunity Quilt
- Quilt ID tags
- Outreach
- Concessions
- Featured Quilter

I am also compiling suggestions for an even better quilt show next year. If you have ideas or suggestions or even complaints, email me at [quiltfiesta@tucsonquiltersguild.com](mailto:quiltfiesta@tucsonquiltersguild.com).

Happy Quilting!

Pamela Golliet,  
2021 Quilt Fiesta Director

### Do You Donate Quilts?

Our Beekeeper Liz Sonnenfeld keeps track of all quilts,

pillowcases, etc. made and donated thru our Guild's Bees. If you do not belong to a Bee but donate on your own, please forward me the information with regards to how many and where you donate your quilting projects? Our end-of-year bookkeeping is coming to a close and we would like to acknowledge all the amazing work done by our members for the year. Please forward any information about how many quilts you have donated and where they went to Joyce Harrison at [rjharrison1977@yahoo.com](mailto:rjharrison1977@yahoo.com).

Thank you,  
Joyce Harrison, *TQG Historian*

### Arizona Quilt Documentation Project Tucson Region

By Susan Franklin, PhD

March presented interesting times for the Tucson team as well as for our country and the rest of the world.

Due to threats of the coronavirus and the impact it might have on persons scheduled to have quilts documented at the scheduled March 21st Public Documentation, it was cancelled.

Some clients are elderly and consequently high risk. That also was true of some team members, who while not necessarily elderly, have underlying health issues. Hopefully, this event will be rescheduled when the weather gets warmer and health experts expect the pandemic to be resolved.

Meanwhile, the *November Public Documentation* remains on the schedule. I appreciate the understanding of both clients and team members.

## **SMALL QUILT AUCTION**

Many thanks to everyone for making the Fiesta Small Quilt Auction a success! We had 105 beautiful small quilts which all sold. The auction made \$3700 which will be donated to Emerge for support to victims of domestic abuse. Again, thank you all for your generous donations and for buying small quilts!!

And in anticipation of next year's Quilt Fiesta, save those extra blocks and small projects for making small quilts. We will soon be soliciting ideas for next year's auction recipients and collecting donations as well!

*Thank you!*

# CLASSIC FAMILY MOVIES

Disney's Snow White and the Seven Dwarves and/or The Wizard of Oz

Using any techniques (and embellishments!) you choose, make a small quilt that is inspired by either of these movies, or even combine pieces of them together.

I can visualize Dorothy and Snow White being scared together in the dark forest, a battle between the two evil witches (with light sabers—oops wrong decade and theme!), or perhaps a sports competition between the dwarves and the munchkins.

Maximum size is a 100" perimeter, and it needs a hanging sleeve when it is finished. **Quilts must be turned in at the November meeting.**

Your quilt will be displayed at the December meetings for a first round of voting and at the January meetings for final voting. Winners will be displayed at our Quilt Fiesta 2020.

Have Fun! And surprise me with your creativity!

# Pattern of the Month April 2020

## POM Chair Needed

Val's husband has just recently passed, before his death Val had already decided to step away as POM Chair.

So, we are needing someone to step up and take the position of POM Chair. The Pattern of the Month Committee Chair is a volunteer position. The Chair may recruit a Co-chair and/or other guild members to assist in the work of the committee.

The duties and responsibilities of the Pattern of the Month Chairperson, as designated in the Guild Bylaws are on a monthly basis to:

- To design, present, and display a block or project pattern at General meetings. Presentation frequency may be up to the discretion of the Chair. The pattern can be of any technique, e.g., hand or machine pieced, hand or machine appliquéd, etc. The patterns may be an original design or from a publication. If the source is known, credit should be given in the handout.
- Have the pattern published in the Guild Newsletter. The pattern must be submitted to the Newsletter Editor approximately one month in advance of the General meeting.
- Update as necessary, the historical notebook that summarizes the activities, communications, and results of the work of the Pattern of the Month Committee.

If you are interested in chairing this program, please contact our Guild President, Karen Fisher.
