## PRESIDENT'S CHALLENGE

- DUE NOVEMBER 7TH & 8TH -

**BIRDS** are the messengers that tell us about the health of the planet. In some cultures, they are messengers of the gods. They delight us with their beauty, their songs, and their silliness. With 9000-11,000 species today, they are a testament to survival on every continent. They evolved from dinosaurs after all. My interest in birds is to champion their survival and to marvel at their beauty. We've lost over 500 species since 1900. Let's showcase the precious, the charming, the funny, and gorgeous birds. Find one that is irresistible and have a hoot of a good time.

### RULES:

1. THE 2024 PRESIDENT'S CHOICE QUILT THEME IS BIRDS.
2. You may use any colors.
3. You may piece, applique, embroider, collage, improv, etc. as long as it has three layers
4. The quilt should measure no more than 100 inches around the perimeter. Any rectangular shape of that dimension is acceptable. If your quilt is not rectangular, make sure that it will fit in a rectangle that is no more than 100 inches around the perimeter.
5. The quilt must have a hanging sleeve and a label containing the quilt maker's name and title of the quilt. Quilts must also be contained in a cloth bag (pillowcase) to protect them from dirt or damage.
6. Your application is due by the October meetings and quilts must be turned in at the November meeting.
