DIRECTIONS FOR HANGING SLEEVE and QUILT ID TAG

1. Cut or piece together a piece of muslin or other fabric that is 8 ½ inches by the width of your quilt.
2. Turn a 1" hem to the outside at each end and machine stitch.
3. Fold the 8 ½" piece in half lengthwise with the end hems on the outside. Sew a ¼" seam along the raw edges. DO NOT TURN.
4. Press the sleeve so that the raw edges of the seam are facing the back of the quilt.
5. Pin the sleeve across the back below the binding. The sleeve should now measure 4" in height.
6. Whip stitch the sleeve to the back of the quilt, across the top and the bottom of the sleeve. Be careful that your stitches do not go through to the front of the quilt.
7. When your quilt is hung, the rod will go through the sleeve and not between the sleeve and the back. The rod will not catch, since the hems are facing outside, and the seam is facing the back.
8. Cut out and sew the Kids Row Quilt ID Tag (see next page) to the back of the quilt, LOWER LEFT CORNER.

.....How to make a quilt bag cover that fits just right.....

1. If your quilt is large, fold your quilt in half, top to bottom together. Then fold in half again. If your quilt is small, you may be able to lay it flat without folding it.
2. Measure around your folded quilt. Include an extra 2 inches in each direction.
3. Leave at least 4 inches on the side that will be open. Cut your fabric.
4. Sew on 3 sides with a 1/4 or 1/2 inch seam.
5. The last side left open should be finished with 1/4 inch folded twice, and edge stitched. This will protect your quilt entry.
6. Center and stitch your Cover Bag ID Tag to one of the open edges of your quilt bag.

Please make sure your quilt bag is not too large or too small. Your quilt should be able to slide in and out without difficulty.

Happy Sewing.
