2025 Special Exhibit/Annual Theme: Alternative Fabrics

Throw the rule book away and make a wall hanging quilt using alternative fabrics. Material examples may include silk, burlap, leather, tulle, faux fur, plastic bags, denim, or even metal. The **ONLY** requirement is that to be considered a Quilt, it must have 3 layers. All the other options are up to **YOU**! Be creative and **JUMP** way outside of the box.

Rules

- You must be an active member of the Tucson Quilters Guild to submit an entry.
- The quilt should measure no more than 100 inches around the perimeter. Any shape of that dimension is acceptable.
- This quilt does <u>not</u> count toward your three judged or non-judged Quilt Fiesta entries.
- The quilt must have a hanging sleeve. Instructions are located **here**.
- Label the quilt with the quiltmaker's name and the title of the quilt. If needed, print this <u>document</u> and hand-sew the paper Quilt ID tag to the back of the quilt.
- Deliver the quilt in a pillowcase-like bag, with a label at the opening. Print this **document** for the Quilt ID/Pillowcase Tags and instructions.
