## President's Message:

"It's May...It's May, the Lusty Month of May", (Camelot")! Wait, how did we miss "April Showers?" I want April Showers! (oh...yeah,.. we live in a desert.) Hmm, oh well, we'll just deal straight away with May flowers then. Doggone it! I remember gardening. Many, many years ago, before we moved to the desert, I had gardens. I had daffodils, iris, geraniums, 57 rose bushes, raspberries, gooseberries, zucchini and rhubarb!! (To name just a few). I was not a fan of petunias or snap dragons. I weeded and plucked and pruned and trimmed, but I never mowed, (that was David-work!).

Mind you, this was before I learned to quilt. You get the picture. Those first tentative attempts to put stitches to cloth were magical. There was no going back and my garden began to look it. Oops, I guess it's all about priorities, and as we go through life our priorities often change. Not a bad thing, it's often a really good thing!

Sew,...this spring, fertilize your garden and prioritize your quilting. Take time to smell the flowers even if they come from Trader Joe's instead of your back yard. And most importantly, take time to enjoy your quilting. Enjoy it, share it, celebrate our guild. We're really lucky to have a local guild. Let's do everything we can to keep it, thank you.

The preceding was a message brought to you by the committee for the advancement of healthy quilting initiatives and perfect projects. No monetary reimbursement was received or requested. (However, some fabric may have been temporarily harmed.) Keep on stitchin'!!

*Nancy*

## **Lisa Ellis**

Lisa Ellis is a quilt artist, teacher, and lecturer whose work bridges tradition and innovation. Fascinated by the Cathedral Window block, she explores its interplay of fabric, light, and dimension through a contemporary lens. By working in a series, Lisa reimagines this motif with fresh color palettes, shifting scales, abstraction, and negative space demonstrating how a single form can become a framework for modern expression. She encourages quilters of all levels to use series work to spark ideas, refine skills, and build a cohesive artistic voice. Lisa's professional journey began with advanced degrees in Math and Computer Science and a 23-year career in engineering, project management, and executive leadership. Since retiring in 2003, she has dedicated herself to the arts and nonprofit service.

As chair of Sacred Threads, Lisa directed its biennial exhibition of quilts on themes of spirituality, joy, healing, grief, and peace.

Though the exhibit has moved from Washington, DC to Indianapolis, she continues to serve as treasurer and mentor to its new leadership team.

Her leadership extends across the quilting community: she is a past President of Studio Art Quilt Associates (SAQA) and currently serves on the boards of the Quilt Alliance and the International Quilt Museum. She also curates Art in Hospitals, a growing initiative that places quilt exhibitions in healthcare settings, where art becomes a source of comfort, connection, and renewal.

### **Class:**

Reimagine the classic Cathedral Window—no handwork required.

In this workshop, participants will create a fully quilted Cathedral Window project, complete with batting and backing. We'll begin by learning the foundational technique for this timeless block, then shift our attention to thoughtful design exploration: scale, repetition, negative space, finished size, and intentional scrappiness.

## Charming Cathedral Windows Full Day Workshop

---

**This sample of 9 blocks finishes 12.5" x 12.5"**

We will be cutting a lot of 2.5" squares. Charm packs (2 packs) and jelly rolls (1) provide great variety and make cutting go faster. But if you want to bring yardage, you will need 2-3 fat quarters. [You won't get as much scrappiness if only bringing small number of fat quarters.]

**Background:** 2.5" squares (4 per block) for total of 36

**Flaps:** 2.5" squares (8 per block) for total of 72

**Windows:** 2.25" squares (1 per block plus middle intersection) for total of 13

**Binding:** 2 - 2.5" x 44" strips

**Backing:** 13.5" x 13.5" (1 fat quarter)

**Batting:** 13" x 13"

### Sewing Supplies

Sewing Machine (don't forget your power cord)

Bring walking foot. (we will use this foot the entire time, including piecing)

Thread: matching for piecing and complementary for quilting

Basic Sewing Supplies (pins, wonder clips, fabric scissors)

Iron and pad (shared in classroom or individual)

## Kate Colleran

Kate Colleran is a fabric and quilt pattern designer, quilt teacher and author. She has taught at local quilt shops, for guilds and at national quilt shows, has online classes at Craftsy and Quilting Daily and been a guest on Love of Quilting and The Quilt Show. Her quilt patterns are inspired by traditional elements and put together with a modern twist. She is the designer of the popular Braid and Mini Braid Templates and co-author of the book, Smash Your Precut Stash. Her new book, Patchwork Braids, came out in January 2025. She is a fabric designer for Island Batik and loves seeing her designs come to life on batik fabrics. Her goal is to help quilters make a quilt by finding the methods and techniques that work for them!

Class Description:

### **Moon Walk - Exploring the Drunkard's Path block**

Not sure about sewing curves? In this class you will learn how to cut and piece a Drunkard's Path block.

Class will start with cutting the curved pieces using the Drunkard's Path Template set 1. Kate will demonstrate 3 different ways to piece the DP blocks including her favorite 1 pin method. You can find the method you like; you get to pick the one that is the best way for you to get a great curve every time!

Then you can use that new curved piecing knowledge to make some drunkard's path blocks to create the Moon Walk table runner, a fun, modern table runner!

Kate will also demonstrate how to cut pieces for different size blocks using her Drunkard's Path template so students can start planning their next curvy quilt!

**This class will begin after the Guild meeting on Wednesday, June 10<sup>th</sup>!**

## Drunkard's Path Pre Class Checklist

This class is about learning 3 different ways to piece the Drunkard's Path block. You can plan to start your table runner - pattern is in the Drunkard's Path Template Set 1 instructions.

### Supplies to purchase for class:

- Drunkard's Path Template Set 1 - includes the pattern for the Moon Walk table runner

### Supplies you will want/need specifically for this class:

- Rotary cutter- a small, 28mm or 18mm cutter works better when cutting curves
- Pins - I like thin glass head pins but whatever you have is fine
- Tweezers- technically optional but... I like to use the long handle tweezers that often come with a serger

### Class Prep -

- Practice Fabric: to practice the different piecing techniques, I recommend bringing at least 3 squares 6 ½" x 6 ½" for the background and 3 squares 5" x 5" for curves from your stash. That way you can practice the techniques and not worry about messing up your table runner fabric.

### To precut your table runner fabrics:

- Background squares 6" x 6" (*you may want to cut them 6 ½" x 6 ½" in case you end up liking the option of trimming to size*) - see table runner pattern inside template instructions
- 3 other fabric squares- 5" x 5" - see table runner pattern inside template instructions

**NOTE:** *We will cut the squares into the curved shapes in class; just bring the squares.*

### Other Supplies to Bring: *stuff you will probably bring anyway but just a reminder!*

- Sewing machine, power cord, foot pedal
- Standard machine foot- if you like a ¼" foot, bring that.
- Extension cord
- New needle
- Thread for piecing
- Pre-wound bobbin
- Ruler, rotary cutter and cutting mat- a small mat is fine, a rotating mat can be helpful  
*Note: a 6 ½" square ruler is helpful to check the size of your finished block!*
- Marking pencil - optional
- Anything else you usually bring to class in your sewing kit (seam ripper, scissors, etc...)

**Now you are ready for class!**

## Programs

I wanted to send a friendly reminder that Lisa Ellis' workshop is Thursday, May 14th and it will be from 9-3:30pm at **Cathey's Down The Block. 5851 E Speedway Blvd, Tucson, AZ 85712.** Please park around the corner, not in front.

The supply list is on page 3 of this newsletter and on the website. Don't forget to bring a lunch and drinks. If you have any questions I will be at the guild meeting on Wednesday or you can give me a call at: 520-906-5905 or email. We have 5 spaces left (end of April) so if you know someone interested please have them sign up.

Thank you, and I'm looking forward to seeing all the Cathedral Windows you create.

This is from Lisa:

### **For the students taking the workshop:**

- 1. We need the walking foot for the entire workshop. So have everyone bring it. (In the past, people thought it just for quilting and they didn't think they would get that far so they left it at home. We are using it for piecing).**
- 2. If people have small irons, that can be useful.**
- 3. If they wish to pre-cut some of their fabric into 2.5" squares, that can save some time at the beginning to get started.**

# QUILT FIESTA

Tucson

## Quilt Fiesta!

“There’s no business like show business!” That’s not Ethel Merman belting out a song, it’s me inviting you to join the party and become part of the show committee!

Please come to a quilt show meeting and see how the quilt show is put together. We meet immediately after the monthly guild meetings in the Rainbow Room next to Harmony Hall, where workshops are held. We need your ideas, your enthusiasm, and your willingness to help with the show.

- If you preordered a 50 Fabulous Years t-shirt, it’s here. If you didn’t order one, there are a few leftover ones. Come by the Quilt Fiesta table at the meeting.
- If you enjoyed the Desert Vista Challenge at the show, there are a few digital panels left (\$12 each).

Looking forward to another great show next year! February 25 – 27, 2027.

Helen

# QUILT FOR A CAUSE

May 2026

We had a fabulous time at the 50<sup>th</sup> Quilt Fiesta! Thank you for your generosity. Several quilts were donated after the Quilt Show, and we need more for our cause! We want “guy” quilts and quilts with a Southwest, University of Arizona, and nature theme. Table runners or toppers, small wall hangings and baby quilts are always welcome to continue our Cause of fighting breast and gynecologic cancers. Our contact information and the donation form are on the website, and we will arrange to get the quilts from you. [Quiltforacause.org](http://Quiltforacause.org)

Quilt for a Cause will be at the Tucson Botanical Gardens again mid June through August. We will be donating to five groups again in early September.

# SMALL QUILT SALES

SQS – The Small Quilt Sale takes your donated Lamentables – orphan blocks, UFO's, Vintage Blocks, etc.... and our members create the most amazing lovelies from your donations! Thank you!

Also, many art quilters donate their monthly challenges, we thank them, too!

This month we'd like to send a huge shout-out and thank you to Rhonda Borders! Hi Rhonda! Rhonda has already donated 16 absolutely amazing small quilts just since March!

Please be thinking of worthy Charities that you would like to nominate for our 2027 SQS Charities. You can send your suggestions to [bnLfutch@msn.com](mailto:bnLfutch@msn.com), or add your suggestion to the clipboard which will be circulating at the next few Guild Meetings.

Donations of Lamentables are always accepted, and donations of completed SQS Quilts for the 2027 Fiesta Quilt Show SQS (which we try to limit to about 120" in perimeter) are accepted right up until Feb 2027!

We are so excited to see what you will create!  
The 2026 SQS Charities were: KXCI & Friends of Aphasia – they will be invited to the May Guild meeting to receive their checks.

Thank you for supporting these community organizations!

*Every quilt has a story...  
Let's finish yours!*
